Provide a narrative of the need for IDA assistance:

We are seeking assistance for Sales Tax and Mortgage tax abatement in hopes to provide some financial relief during construction and entering this new venture.  
 The property of which the campground is being built sat vacant for several years prior to Big Guys Camping LLC purchasing it. With the property being vacant for that long it caused a big eye sore for the community with its overgrown grass, weeds, trees, and nuisance wildlife. It was subject to vandalism and trespassing.  
 The Big Guy's team is excited to bring an upscale RV Campground to the area! The Big Guys team believes it will improve the community with maintaining this beautiful property and with the many job opportunities it will bring, not to mention the tax revenue for the Town of Murray and the County of Orleans.  
 Although without the help of the IDA and with the rising construction costs during COVID this project has a risk of not being successful. Thank you for your consideration.

Provide information on alternative project locations or options being considered and competing incentives offered:

Please confirm by checking the box, if there is a likelihood that the Project would not be undertaken but for the financial assistance provided by the Agency. If the answer is "No", then provide a separate narrative indicating why the Agency should consider the requested incentives  Yes  No

Is the company currently subject to any job creation, employment level obligations, capital investments or other commitments resulting from previous public (state local or federal) funding? If "Yes", provide separate detail  Yes  No
